Re: United States of America versus Eric Lesane
22-Cr.-110 (VSB)

Your Honor,

I write on behalf of defendant Eric Lesane, for whom I am legal advisor. Mr. Lesane respectfully requests a conference before the Court at a time and date convenient for all, where he can address certain issues that he has been having at the Essex County Correctional Facility with respect to this Court's Order of October 21st, 2022. The parties would also be afforded an opportunity to discuss the trial schedule of this matter. A jury trial has previously been set for January 23rd, 2023.

The Government does not object to such a conference, and, in talking to all concerned parties, December 22nd, 2022, appears to be a good date to hold it. We thank you for your consideration of our request.

Respectfully submitted,

Raymond Elvis Gazer, Esq.
